Beauty
for me
is a gift
from nature,
gifted
to everything
and
every
creature.

From the
pearl's
depth to the
midnight's
pearl, Beauty
is everywhere

wherever we see.
Beauty rests within
the person's eye, like
a flower bloom and a
bird lies. Beauty lies
within every creation of God.
Regardless the things that
are or old, Nothing in my

life is as beautiful as you
that no one's gonna surpass
the way I do. From deep within
my heart to God I thank, for her
love so deep in which I sank.

In love this world seems so
fresh and new, May God
create everything in this
world as beautiful as you.

Beauty, beauty, beauty, beauty
You can't see
to the true

see, beauty you can't
lies beneath the surface
Most likely hidden in a heart
shaped protective cage you can
search, but it's kept it deep
within everything beautiful is
buried under the skin deep beauty
can only carry up so far it
doesn't show us who we really
are, our real beauty is, covered
with that shell and it's something
so precious we cannot buy or
sell once our true beauty spills
through we're there's no stopping
it because it seals our fate.
Beauty beauty beauty, beauty
Beautiful beautiful is a real
